

Patriot's Creed

I am an American

I appreciate all Veterans for being Warriors and members of a team.

I wouldn't be standing here if you didn't serve the people of the United States.

I don't know how you always place the mission first,
I can't imagine.

I am grateful that you NEVER accept defeat.

And you NEVER quit,

And you NEVER leave a fallen comrade.

Veterans past and present are disciplined,
Physically and mentally tough, proficient in your tasks.

I know you are experts and professionals.

Although it scares me;
I couldn't be more confident in knowing you have been and are ready to deploy, engage and destroy the enemies of the United States of America, only thinking of country first.

Thank you from the bottom of my heart for being guardians of our freedom and the American way of life.

Because of all of you:
I am a very proud American.
